

# Easy Netball Trials - Terms and Conditions

These Terms and Conditions govern your use of Tryla™ and/or TrylaLite™ Netball Trials Scheduler.

## 1. Access

- ▶ A 6 or 12 month licence allows you to use Tryla for this period of time only. After that to continue to use Tryla you will need to re-purchase a licence.
- ▶ You will be able to view and print your files after your licence expires, but you will not be able to edit any details.
- ▶ You must not share your access link or login with other clubs. Each licence is for your club only. Unauthorised use will result in the cancellation of your licence.

## 2. Fair use

- ▶ The Tryla generator supports up to 200 players, 20 rounds, and 2 courts, however it performs best with up to around 120 active players at a time. Although larger lists are supported (up to 200) they may take longer to generate and the number of games allocated to each player may be quite low.
- ▶ Your TrylaLite generator supports up to 80 players, 20 rounds, and 2 courts
- ▶ Output workbooks are intended for your club's internal use only.
- ▶ You may not resell or distribute the generator or its outputs commercially.

## 3. Liability

- ▶ We make every effort to ensure accurate schedules. However, clubs are responsible for reviewing outputs and making manual adjustments where needed.
- ▶ We are not responsible for scheduling outcomes, player performance, or any issues that arise from how the outputs are used.

## 4. Support

- ▶ Support is available by contacting us via the online contact form. We will respond ASAP, but within 5 working days.
- ▶ We will provide reasonable assistance to help you use the system effectively, including offering a virtual training session to club members upon request.

## 5. Changes

- ▶ We may update these Terms and Conditions from time to time. Updated Terms and Conditions will be posted on our website.
- ▶ By purchasing access and using Tryla™ and/or TrylaLite™ Netball Trials Scheduler, you agree to these Terms.

- ▶ Breaches of these Terms and Conditions will result in cancellation of your licence.
